Dear Mr Grant,

Thank you for your letter of 25th March 2004 regarding your case.

I am answering on behalf of Gareth Peirce. We very much regret that, unfortunately, we cannot take on your case as we have a commitment to ongoing cases which is not allowing for taking on any further ones for some time. We know that this may be disappointing news, but we are a small firm and, however much we would like to assist you, we are simply unable to do so responsibly, otherwise we would risk letting you down by making promises we could not keep.
