Dear Sir/Madam

**RE: JC8360 Mr Caul Silford Grant.**  
**REF: 00439/2005**

I was recently made to understand that the CCRC claims to be in receipt of everything else amongst Mr. Grants documents, save those most damaging to the Integrity of the Judicial System amidst its ongoing levels of Unlawfulness and Corruption.

Having had a copy of Mr. Grant's application to the CCRC, I find **the commission's claim that pages 5, 6 and 19 of Judge Christopher Pratt's deliberate misdirection and interpretation of the Law to the Jury absent from all content enclosures to you, absolutely untrue and a convenient attempt to find an excuse for ongoing failures and omissions to refer the case back to the courts without further procrastination.**

Page 19 makes abundantly clear and unobstructed why the Corrupt and Dishonourable Judge (Christopher Pratt referred to above) engaged in a deliberate misinterpretation of Article 7 to the Jury and directed them to convict him on behalf of the state Judicial interest he represented and sat in official capacity for.

It must be remembered that under current circumstances, it really has been impossible for Mr. Grant to get a fair independent and impartial hearing in the UK legal jurisdiction, because the people or body in violation of the enforceable rights he complains of since 1998 are Agents and Officials of the UK Government sitting in Judicial capacities, Unlawfully denying him access to the High Court.

Despite these facts **Mr. Grant has not been given an appeal, because the same Judiciary he has previous outstanding and unresolved complaints against, (for earlier False and Unlawful Imprisonment at the hands of Justice Toulson in satisfying his brother A.K. Toulson's allegation placed before him to preside in contravention of Rules and Procedures) refused to give him permission to appeal without a oral hearing or representation, contrary to Articles 5 and 6 of the Convention Rights now enshrined in the Human Rights Act 1998**

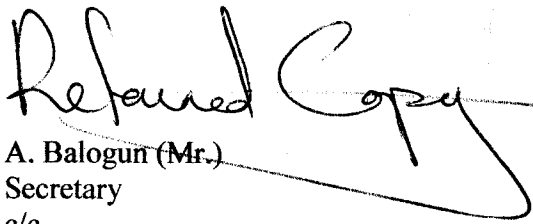

Whilst I am aware that Mr. Grant will be sending you copies of pages 5, 6 & 7 of the Judge's Summing Up, I have however enclosed further copies for your files, plus additions as listed below.
