Dear M's Hoey

RE: Mr. A. Balogun, 25 Swinford GDNS. London SW9 7LA
REF: Non Functioning and Effective Monitoring and Supervisory Mechanisms, Inadvertently
Giving Aid To Overt Institutional Abuses Within The Judiciary.

I received your letter dated 24 February 2006, in response to the enclosed copy of the action brought by myself in the Royal Court of Justice against the following named Defendants, for Misfeasance in public office:

1. The Home Office
2. Lord Chancellor's Department
3. The Attorney General

As my M.P with whom I raised concerns of Judicial Corruption and Improprieties responsible for Mr. Caul Grant's false and unlawful imprisonment facts with to no avail.

I furnished you with a copy of the lodged document for your filing since your responses contained thereof remain testament to the levels of parliamentary complacency and unhelpfulness prominent in U.K institutional establishments.

How you ever conceive my approaching you for unresolved immigration concerns remain baffling, as my sole communication with your office has been on the Ongoing and Unresolved Matters of Judicial Corruption and Improprieties responsible for Mr. Caul Silford Grant's false and unlawful imprisonment members of this campaign have sought a long due resolve.

As your letter runs, clearly you have mistaken me amongst your regular application of Asylum Seekers, who run to compromise themselves, their people and their Nation.

Nonetheless, I am aware that it is also another way of attempting to pretend not to be aware of the document claim, so as not to be compelled to act.

Yours Sincerely

Balogun (Mr.)
Secretary
