29<sup>th</sup> Mach 2004

Mr. Micheal Howard (MP)  
C/O House of Commons  
London SW1A 0AA

Dear Sir

I thank you for your letter of 5<sup>th</sup> March 2004. It was in response to my earlier communication dated 11/02/2004. Thereof, a **Serious Matter of False Imprisonment as a consequence of Judicial Corruption**, (long standing since 1998) was brought to your attention in order to help find a resolve.

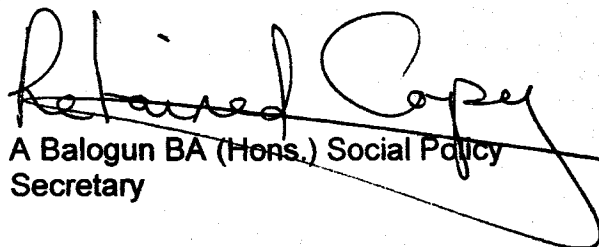

It is a shame that even from the opposition bench, you are already portraying an uncaring attitude towards those most desperately in need of your support and assistance, in pursuit of **Truth and Justice**. It appears a lack of Honor and Integrity, is a common feature of not only the current Prime Minister and his Government, but the entire Parliamentary Members of the House of commons.

I warn you take note! **The Unlawful, False Imprisonment of a citizen is a Gross Violation that must not be dismissed lightly.** The current government has engaged itself in wholesale corruption, one of which we expect an effective opposition set to reverse immediately, so the nation can begin the return to the Rule of Law.

However, if like the current Hypocritical Prime Minister and his Corrupt Government, (of Docile men and women of no integrity) you fail to act following this approach, then you too will be responsible for bringing the entire House of Commons and its Members to **DISREPUTE.**

Least of all, for the House's and its Members apparent unwillingness to **Stand-up fast for Justice**, and help the Desperate and Needy put right **Gross Injustices** as empowered to do on behalf of the Sovereign Crown of the Land.

Yours Sincerely

  
A Balogun BA (Hons.) Social Policy  
Secretary
