Dear Mr. Blair

RE: Mr. Caul Silford Grant, JC8360, HMP the Verne, Portland, Dorset. DT5 1EQ
REF: Judicial Corruption, False Imprisonment & Human Rights Abuses in the UK

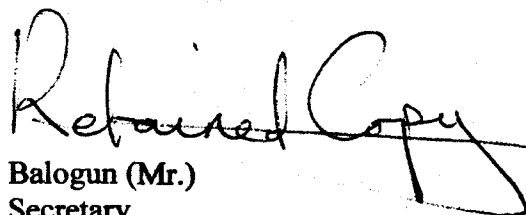

Follow up to the campaign correspondent of 25/03/2005 to your office, I am still dissatisfied with your ongoing omissions and failure to act on a very serious matter brought to your attention.

Your Prime ministerial incompetence and inability to properly administer the organs of government in your charge has long been pointed out by this campaign, but arrogance, greed duplicity and selfishness has not allowed you to see sense and reason.

You may have won a Third Term in Office, but be assured, if you do not order the Home Office to make an immediate investigation in to the serious breaches brought to your attention by this campaign, the entire Parliament and the Labour Party will be glad to see your back sooner than latter.

Thus, I warn you now, should I have to write you again, because those accountable to you, that you claim are responsible for the matters raised, and subsequently forward the campaigns complaints to, increasingly fail to take any action as a result of their unruliness and mismanagement, your current woes will be incomparable to what will be coming.

Yours

Balogun (Mr.)
Secretary
